Every child should be in class each morning by 8.55am to receive a 'present' mark in the register. Arrival after this time will result in a 'late' mark. If you know your child is going to arrive at school after registration closes at 9.15am you will need to inform the office.

Should your child be off school for any reason, an appointment or illness for example, you need to inform the school office before 9.15am using the absence line on our main phone number. If we have not had a reason for absence left we will then contact you by telephone. If no contact can be made then the absence will be marked as unauthorised for that session.

All information regarding appointments and illnesses must be directed to the office in the first instance.
