

PE and Sports Premium for Primary Schools

Willoughby Road Primary Academy 2017 – 2018

In 2017-18 Willoughby Road Primary Academy will receive the fifth year instalment of PE funding. The funding will be used in a variety of ways to further improve and develop teaching and learning across the whole academy. We will encourage pupils to lead healthy lifestyles, enjoy PE and Sport and experience high quality teaching. They will be encouraged to take part in competition and aim for sporting excellence. We have employed a specialist sports coach to deliver extra-curricular clubs and develop opportunities for a wider range of sports offered, allowing our children to be able to compete against other schools in our locality.

Having already seen impact of the funding from the previous 4 years we expect for this additional funding to have continued and sustained impact on provision of PE and sport within our academy. Learning walks, lesson observations and monitoring by SLT and the PE leader have identified the following areas to address in PE this year: high quality coaching in KS1 and KS2, increased awareness of healthy lifestyles, increased time of vigorous exercise throughout the school day. Pupils of all ages and abilities will also have opportunities to participate in competitive events in various locations in the local area. We will raise sporting aspirations of our young people and encourage them to participate in a wide range of sports in and out of the academy.

Amount of Primary School Sports Grant Received	
Primary School Sports Grant Lump Sum	£18,830
Total number of pupils on roll	362
Proposed amount spent	£12,260 to April 2018 (£6570 of allocation still available)

Objective	What are we going to do?	How are we going to do it?
Competitive School Sport Increase participation levels in extracurricular sport	Sign up for the gold level sports package with the Get Ahead Partnership, Baysgarth. Compete in a variety of sports for all ages and abilities across the academy.	Purchase children and staff kit to raise the profile of the academy at competitive events. Attend a variety of competitions in the local area. Encourage a wider spectrum of pupils to take part – including vulnerable groups, hard to engage pupils and those who would not normally participate.
Healthy Active Lifestyles Ensuring all children are encouraged to take regular exercise	Increase the opportunities for exercise before and after school. Lunchtime clubs by sports coaches twice a week for all. Large games organized by lunchtime staff every day to increase exercise at lunchtimes. Golden mile club twice a week before school.	To improve healthy food choices – work on lunchboxes and healthy food with our caterers TNS. Encouraging children to participate in the before and after school clubs with the sports coaches. Purchasing of equipment to be used at lunchtimes to encourage activities that are more rigorous.
Physical Education Raising the standard of teaching and learning in PE	To improve the PE curriculum and the quality of teaching and learning,	CPD from the Get Ahead Partnership that will involve direct CPD and coaching and mentoring of staff in lessons. Monitoring of PE lessons by the PE lead and SLT Purchasing of PE equipment and kit so that all children participate in every lesson. Staff feel more confident delivering activities that encourage
